

2010-2011 VEHICLE DECALS

Vehicle stickers change effective, July 1, 2010. As in the past, it is the Association's policy that **no more than four (4) vehicle stickers will be issued to each unit.** Please fill in and return this form to the office no later than **Monday, June 28, 2010.** For security reasons, we ask that each sticker requested be accompanied by a corresponding name, relationship to unit owner, vehicle make and color, and license number. Should you require a sticker replacement after initial issuance, due to new car purchase, etc., we ask that you return the old sticker to the office, or be sure that the sticker is destroyed.

Stickers should not be given to your employees, nurses, cleaning personnel, real estate brokers, contractors, etc. An **Express Clearance Form** is available for this purpose. Permanent, extended stay, frequent guests, or regular domestic help may have express clearance by placing the individual's name on the **Guest Register** for the specific unit. These forms are available at the gatehouse or the management office.

When filling out the form below, please list yourself and anyone else residing in your unit first. Please fill in the first and last name of each person who will be receiving a decal.
