

*ULTORIAN*: a word coined by the developer of THE OAK BROOK CLUB to describe the active, aware people who have chosen to be residents.

## **THE ULTORIAN WOMEN'S CLUB (UWC)**

**Founded in 1975, the Ultorian Women's Club remains the active social arm of the Oak Brook Club some thirty years later, with over one hundred and thirty members at present. Led by an elected Executive Board, the UWC plans entertaining and stimulating events throughout the year, some of which take place in the afternoon and others in the evening. While some of these programs are for "members only", others are open to spouses and guests.**

**The UWC offers its members an opportunity to meet other residents and make new friends in a friendly and convivial atmosphere.**

**Members are encouraged to volunteer their help in planning and carrying out the various events. This provides a sociable, easy way to "get involved" and to actively support the Women's group at the same time.**

**Dues are minimal and excess profits from programs are used to purchase useful items for the Oak Brook Club that benefit all its residents.**

**You are invited to find out what we are all about. Attend an open Board meeting. Prospective members are most welcome.**

**For further information, please call our Membership Chairman or President.**
